

GOSCHOOL ONLINE CODE OF CONDUCT

GoSchool will be very different to the types of experience students have had in regular bricks and mortar schools. The Online Code of Conduct is used to ensure that all participants can benefit from and enjoy this new experience fully.

Online Code of Conduct

- Participate fully in all activities.
- Tolerate and respect individual differences.
- Behave in a friendly, cooperative, polite, and responsible manner towards everyone.
- Attend all sessions.
- Follow all of the following General Rules for Student Conduct in Online Activity.

General Rules for Student Conduct in Online Activity

- Participation in the activity always requires responsible behaviour from all together with respect towards other participants and members of staff. GoSchool treats all forms of abuse, bullying, intimidation, sexist and racist behaviour very seriously. Students or staff must not engage in any anti-social behaviour or abuse of any kind towards other participants or staff.
- Please do not share the link to the session(s) with anyone else. Only people who have been authorised by staff in advance may attend, any uninvited attendees will be removed from the session immediately.
- It is vitally important to not give out any personal information online, such as full name, phone number, home, or email address. GoSchool has these already!
- Please be aware of your surroundings, particularly if your online activity enables you to share your video or microphone. Ensure that your back-drop is appropriate for a classroom setting, and if there are any unexpected noises etc. (including noisy family members!) please mute your microphone or stop the video as needed, until you are safely able to re-activate.
- Please do not take photographs of your screens or share any images of the online session, this is for your safety as well as the safety of other participants and staff.
- Please contact a member of staff immediately if you become aware of anything upsetting or inappropriate.
- If your behaviour is inappropriate in any way staff will immediately mute microphone/stop video/stop chat access as needed and warn you that if the behaviour continues, you will be removed from the session. Or, if the behaviour is serious enough you will be immediately removed from the session, and your place on any future sessions may be withdrawn.
- Participants must comply with staff requests.
